

Father,

I have signed the Title Deed of My Life over to your son, Jesus Christ. I have been baptized with Him into His death. Because He lives in me and I live in Him, I am even now seated with Him, in His eternal kingdom, at Your right hand!

I have been learning your blood covenant ways. I have exchanged my self-life for Christ's Life in me. I have acknowledged that I am a temple of your Holy Spirit. I have been experiencing what it means to continually abide in Your presence. I have enjoyed learning how to minister to You, so that You are free to minister through me, to garden the people in my life, and the circumstances in which I have been placed.

This day, I accept my role as a God-Bringer. I realize that You brought me through this process of discovering Christ-In-Me, not so I could go through another program, finish it, and revert to my old ways. But in order to live out your commission to carry your presence to this world, as a point of entry, along with my fellow brothers and sisters in Christ.

I now submit myself to You entirely, that You may use me to reveal Jesus, that through me, He may have the impact on this world, at this time, that You desire. May everything I do from this time forward, be for the revelation of Your glory, and the exaltation of Your son, and for the vindication of Your name. I give myself to You to be an overflowing fountain of Your love, and a gardener of what You have created.

I am ready to receive this commission You give me. I have been prepared for such a time as this. And I say along with the prophet Isaiah, "Here am I, send me!" Amen.
