## Christ-In-Me Identity Statement Example

Jesus, my heart is filled with joy, and my entire being is ablaze with excitement because you, the God of all Creation, are living in me! You are my life. I have no other life, I need no other. I want no other.

Jesus, you are the spotless Lamb of God, slain before the creation of the world. You kept the Law and fulfilled all of Father's Covenant requirements perfectly. You please Father's Heart.

You willingly offered yourself up to be crucified in my place. At unspeakable cost, you became my sin and took my punishment until death. You paid in full for my redemption with your Precious Blood. You are Father's rescue plan to save me from eternal death.

Since the fall, Father has agonized over our separation. The intense passion and Love He has always had for me tore at His Heart. He was willing to do whatever it took to rescue and redeem me, to have me solely as His own. At an incomprehensible price, Father desired and planned to draw me into the security and safety of the Eternal Covenant by joining me to You, Jesus.

And I have gratefully and wholeheartedly embraced you as my Salvation. I have willingly submitted to you, and exchanged lives with you. I entered into a Blood Covenant with you, Jesus, and now we are Blood Brothers. You are my Covenant Representative and I died to any former life and live only by the Life you are in me now.

You are my Lord, Master, Savior and Redeemer. It has always been Father's desire that we would be joined together. And Father's desire is now reality. It was His pleasure to fuse our spirits together. So for all Eternity, we are One.

Lord, you willingly gave up everything to be One with me. And I gladly gave up everything to be one with you. My old life died with you. It was baptized into your death and is gone forever. I live by you. You are the only life I have. I have presented my body as a living sacrifice that you might always live out Father's plan and purpose in my flesh.

Lord, you smashed the chains of bondage to my old patterns of behaving and thinking. Your mighty Sword of Truth cut away Satan's lies. You healed my wounds from the past and set me free to be One with You, just as Father ordained that it would be, before time began.
