Christ-In-Me Identity Statement Example

You, Jesus heal my soul. You abide in my spirit and fill my soul.

You and I are married with an unbreakable love bond, FOREVER.

You are my heart. You fill my heart. Because you live within me, my heart is beautiful, sensitive and perfectly compassionate.

Lord, you and I together are bigger than me alone and/or anything that might come our way. Because we are together, your mastery operates from within me and shows your undeniable influence in all my emotions, financial concerns and every responsibility I have.

Because you and I are one, our Abba is captivated by us and in love with us. We are His. He SEES Us. He blesses us at all times. And with You, Jesus, I confidently step out in all “risky” areas at all times.

Because you are my Guide, I choose daily to follow your lead.

Because you live in me and through me, together we are able to walk in obedience to Father’s ways. You and I are one forever. Father has a wonderful destiny and plan for your Life in me. I am so excited and confident about the future because you are always within me and I am always within you.

You, Jesus, are the complete and perfect unending Gift. Together we minister your healing to your people. I accept this calling and its grace. I release you to obey our Father from within me, as only you can do.
