

Give Me Your Eyes by Brandon Heath – From the Album – *What If We*
Looked down from a broken sky Traced out by the city lights
My world from a mile high Best seat in the house tonight
Touched down on the cold black tar Hold on for the sudden stop
Breathe in the familiar shock Of confusion and chaos
All those people going somewhere Why have I never cared?
Give me your eyes for just one second Give me your eyes so I can see
Everything that i keep missing Give me your love for humanity
Give me your arms for the broken hearted The ones that are far beyond my reach?
Give me your heart for the one's forgotten Give me your eyes so I can see
Yeah , yeah, yeah, yeah Step out on a busy street
See a girl and our eyes meet, does her best to smile at me
To hide what's underneath. There's a man just to her right
Black suit and a bright red tie too ashamed to tell his wife
He's out of work he's buying time all those people going somewhere
Why have I never cared? Give me your eyes for just one second
Give me your eyes so I can see everything that I keep missing
Give me your love for humanity. Give me your arms for the broken hearted
The ones that are far beyond my reach. Give me your heart for the one's forgotten.
Give me your eyes so I can see. Yeah, yeah, yeah, yeah
I've been there a million times. A couple of million eyes just moving past me by
I swear I never thought that I was wrong Well, I want a second glance
So give me a second chance to see the way you see the people all alone
Give me your eyes for just one second. Give me your eyes so I can see
Everything that I keep missing Give me your love for humanity
Give me your arms for the broken hearted. The ones that are far beyond my reach
Give me your heart for the one's forgotten Give me your eyes so I can see
Give me your eyes for just one second. Give me your eyes so I can see
Everything that I keep missing, that I keep missing
Give me your arms for the broken hearted, the ones that are far beyond my reach
Give me your heart for the one's forgotten Give me your eyes so I can see
Yeah, yeah, yeah, yeah , yeah, yeah, yeah, yeah
