

I'M Not Alright by Sanctus Real –From the Album – The Face of Love

If weakness is a wound that no one wants to speak of
Then "cool" is just how far we have to fall
And I am not immune, I only want to be loved
But I feel safe behind the firewall

Can I lose my need to impress?
If you want the truth I need to confess

I'm not alright, I'm broken inside, broken inside
And all I go through, it leads me to You, it leads me to You

Burn away the pride
Bring me to my weakness
'til everything I hide behind is gone
And when I'm open wide with nothing left to cling to
Only You are there to lead me on.

'Cause honestly, I'm not that strong.

I'm not alright, I'm broken inside
Broken inside
And all I go through, it leads me to You
It leads me to You

And I'll move,
and I'll move,
and I'll move,
Closer to You (x3)

I'm not alright I'm broken inside
Broken inside
I'm broken inside, Broken inside
And all I go through leads me to You
Leads me to You

I'm not alright, I'm not alright
I'm not alright ... that's why I need You.
