

## **Paradigm Song – Gina Beisner**

Jesus loves me this I know,  
I've begun to change and grow,  
Things I've learned will fade away,  
Now I know that I'm okay.

Jesus loves me this I know,  
In the Bible it does show  
Die to self and my old ways,  
Christ lives in me for always.

Jesus loves me this I know,  
As I learn to reap and sow,  
Focus on that He is near,  
Christ in me, what can I fear?

Jesus loves me this I know,  
I'll disciple where I go,  
Trust in Him for everything,  
Abundant life will make me sing.
