

*Perfect People* by Natalie Grant –From the Album – *Relentless*

Never let 'em see you when you're breaking  
Never let 'em see you when you fall  
That's how we live and that's how we try  
Tell the world you've got it all together  
Never let them see what's underneath  
Cover it up with a crooked smile  
But it only lasts for a little while

*[CHORUS:]*

There's no such thing as perfect people  
There's no such thing as a perfect life  
So come as you are, broken and scared  
Lift up your heart and be amazed  
And be changed by a perfect God

Suddenly it's like a weight is lifted  
When you hear the words that you are loved  
He knows where you are and where you've been  
And you never have to go there again

*[CHORUS]*

Who lived and died to give new life  
To heal our imperfections  
So look up and see out let grace be enough

*[CHORUS]*

By a perfect God *[5x]*

Be changed by a perfect God  
Be changed
