

*Whatever You're Doing* by Sanctus Real -From the Album – *We Need Each Other*

It's time for healing, time to move on  
It's time to fix what's been broken too long  
Time to make right what has been wrong  
It's time to find my way to where I belong  
There's a wave that's crashing over me  
And all I can do is surrender

Whatever You're doing inside of me  
It feels like chaos but somehow there's peace  
It's hard to surrender to what I can't see  
But I'm giving in to something Heavenly

Time for a milestone, time to begin again  
Re-evaluate who I really am  
Am I doing everything to follow Your will  
Or just climbing aimlessly over these hills?  
So show me what it is You want from me  
I give everything, I surrender

To whatever You're doing inside of me  
It feels like chaos but somehow there's peace  
And though it's hard to surrender to what I can't see  
I'm giving in to something Heavenly, something Heavenly

Time to face up, clean this old house  
Time to breathe in and let everything out  
That I wanted to say for so many years  
Time to release all my held back tears

Whatever You're doing inside of me  
It feels like chaos but I believe  
You're up to something bigger than me  
Larger than life, something Heavenly

Whatever You're doing inside of me  
It feels like chaos but now I can see  
This is something bigger than me   Larger than life, something Heavenly, something Heavenly  
It's time to face up, clean this old house  
Time to breathe in and let everything out
