Why I want to choose Christ as my Covenant Representative.

Example #1

Dear God:

I am sorry for the way I have lived. I have tried every way I know to save myself, but nothing worked. Now I know only You can save me. I surrender all my life to You. My hopes, dreams, my heart, mind and body, my thoughts and my will. Mold me into someone You can use.

Give me Your strength and wisdom to guide me through the rest of my life. Let Your power flow through me to others in need. Most of all, let people see You through me.
