Why I want to choose Christ as my Covenant Representative.

Example #3

Dear God:

I want to enter into covenant with You because I am willing to surrender my desires to You. I am willing to commit my goals, hopes and dreams to be Your will – good, pleasing and perfect. I want to exchange my plans for Your plans, and rest in You. I am willing to surrender all that I am, the lessons I have learned and the paths that I will follow, the emotions I feel, and the academics that I will be taught. I want to be fully dead to the past life. I was born into and regenerated completely new in Jesus Christ, my Lord. I want to give in once and for all and let You reign over my life. There is nothing for me in the world that I have known; only a future and a hope in the Kingdom You have invited me into. I submit my body, soul, and spirit to the Father, the Son, and to the Holy Spirit.
