### Christ-Life

Who I am:		
I'm not good enough	Jesus is my good-enoughness	He is my life.
I'm responsible	I can no longer trust in myself, so I am completely dependent on God	He is responsible for handling every situation and relationship in my life.
I am a burden because I have needs that require time, attention and money.	Every need I have is an opportunity to experience His provision and power.	He is everything I need.

Who He is:		
Distant, not too interested in me	Through my Covenant representative Jesus, God made the way for me to have a relationship with Him.	He is one with me.
Harsh, critical	He is loving-kindness.	His Love and Justice go hand in hand.
Expects me to be better	His perfect Life lives through my crucified life. He relies 100% on Jesus' perfect performance and 0% on mine.	He lives in me, with His perfect character and qualities.

Who He is in and through me:		
Occasionally, when I pray I think He hears me.	God is always with me and for me and is listening to me	The Living God indwells me.
I don't know enough or am not spiritually mature enough for God to use me.	He relies on His perfect track record and operates out of His limitless abilities and power. I lack nothing.	He releases His wisdom and power through me according to His perfect plan.
