## Christ-In-Me Identity Statement Example

Yeshua, You are the Creator of the universe and You live in me. I need no other life. I want no other life. Our covenant relationship is air-tight and we are one for eternity. Thank You that you have grafted me into the tree of Israel. You have adopted me as your own and I am a co-heir with Christ. All work has been completed by you. In you I have overwhelming victory. Your success flows through me. You are the potter and I am fashioned by your very hand. You have made me for honor and have put everything I need in me to fulfill Your purposes. Lord, Your name is a strong fortress. You have made me safe in you. You have already provided for every situation and relationship we face together.
