## Christ-Through-Me Identity Statement Example

Lord you live and love from within me.

You reveal yourself in my thoughts, words, deeds, and responses.

You perfume my relationships and you permeate my relationships.

You generously give your love in holy appropriate ways to each person in my daily experience. Thank you that you reveal yourself in everything I think and do and say.

Because of your unconditional love to me, I am free to love my family. They cannot meet my needs; you alone meet my needs. You alone love me unconditionally.

You alone rejoice with me on good days and weep with me on bad days.

I talk to you and you are always awake and vitally interested and you are my best cheerleader.

You hold me in tenderness and keep my confidence. Your eyes of fire fill me with love again and again. You are the living flame of love on the inside of me. I am one with your burning heart.

Therefore I freely give your love to anyone I meet, friend or foe. Your same love flows to them through me, your vessel. You give to me and I freely receive from you.

You give to them through me. You don't have expectation of something in return, you just give freely and endlessly of your love to me and through me.

Thank you, Lord, that you alone validate who I am. You meet all my emotional needs and keep my love tank on full. You are my everything. You are the Lover of my soul. You esteem me highly. You love me as your favorite daughter. That is why I can love others as your favorite too.

You love me unconditionally and enjoy me thoroughly. You make others feel delighted in and through me. You give me joy. Your joy is contagious through me.

You delight in me and you deliver from every trouble. You are my great deliverer.

There is nothing too difficult for you. You give me hope in all my circumstances.

You are committed to taking care of me. You give me power to gain wealth- you are 100% responsible for my provision.

You give me gold coins out of a fish' mouth.

You are Superior to everyone else Jesus. Its because you are humble. You are the best at loving and being kind. Your kindness in me allows me to be kind at all times. You always know what to say and how to say it. You know how to give a soft answer when someone is angry. You flow through me to diffuse ugly situations.

You are the Healer inside of me Jesus. You are all powerful and your power to heal flows to me and through me. Your resurrection power is alive within me. There is nothing you and I cant heal together.
