Christ-Through-Me Identity Statement Example

Lord, you and I are one. You allow me to see others and love others with your grace and truth. I am your vessel. You alone have the power and glory to draw people in my life to you. It is all about you, Jesus!

Wife: Jesus you are the lover of my soul. Through me you love and encourage my husband. You provide all I need to be his lover, to show him respect, and to support him. You brought us together and made us one. You have great things in store for us as we die to ourselves and let you live through us.

Mom: Lord you love my daughters with an endless selfless love through me. You knit them together in my womb, you KNOW them and you SEE their heart. I am your vessel to shower them with your grace, mercy and unconditional love. Through me you show them the way they should go. In you I have rest and peace because I know you are working in their hearts.

Daughter: Jesus, You are the light of the world. Your light and love shine through me to bring you glory. Your respect, grace, wisdom and unconditional love are unending within me. Your eyes are the lenses with which I see my parent's hearts.

Sister: You delight in who you created me to be. In you I am accepted, loved and forgiven. You have a perfect solution for every situation we face. You ARE the solution. You are in charge of changing hearts and drawing people to you. In you I can rest and enjoy all that you have in store for our relationship.

Friend: You are my closest friend. In you I am filled and find wisdom and joy. Out of the overflow of you in my heart you bless those around me. You have blessed me with dear friends, YOU long to meet their needs.

Facilitator: It's all about you Jesus. You give me your eyes, your words, your wisdom. Apart from you I can do nothing. You are the power to transform and renew our hearts and minds. I get to rest in you as you work through me. Praise you Jesus, to you be the Glory!
