## Christ-Through-Me Identity Statement Example

Lord Jesus, you live in me to do your will through me. Thank you that my life is a testimony to others of your love and acceptance of them. My thoughts, actions, and reactions are all in your control to reveal you to those I encounter each day.

As your bride, you show me what a perfect husband is and as a husband myself, I totally depend on you to provide all that I need to love my wife unconditionally as you have done for me. You freely express your covenant love within my marriage.

Holy Father, you have given me children to reveal your love but only for a short time for they are eternally yours and I release them to your charge over their lives. It is not up to me to fix or lead their lives for them. They are responsible to you as their heavenly Father.

Lord, you are my friend so therefore, I am a friend to others. Through you, I share the fruit of the Spirit to those I am in contact with in life through every situation.

Thank you, Lord, for the opportunity to be involved in *The Ultimate Journey* ministry. I am able to meet so many of your wonderful children and to share Christ-Life living with them. You know their every need and you are totally responsible for their life to bring glory, honor and praise to yourself as we are the family of God.
