

## **Chainbreaker by Charlie Hall –From the Album – The Bright Sadness**

All stand applaud, Your Father God  
The Maker King who never tires  
Who renovates the human hearts  
And gives the broken brand new starts

Redemption flowing from His hand  
We all can start at life again  
Heaven stands to celebrate  
For the ones who come today

So come just as you are  
Come just as you are

Chain breaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer

From slavery to bravery  
This is the love that reaches deep  
And Jesus' cross split history  
It lit the dark and set us free

Redemption flowing from His hand  
We all can start at life again  
Heaven stands to celebrate  
For the ones who come today

So come just as you are  
So come just as you are

Chain breaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer

You are free, you are free  
Yeah, the Son has set you free  
Drop your chains, sons and daughters  
Come and run in liberty

We are free, we are free  
Yeah, the Son has set you free  
Drop your chains, sons and daughters  
Come and run in liberty

Chain breaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer

Chain breaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer
