

## **Christ-in-Me Song**

Christ in me the hope of glory  
Christ in me His called out son  
Life like rivers flow right through me  
Christ and I, were two, now one

I can add not one wit to Him  
Rest on Father's lap I stay  
Christ in me to ever serve Him  
As I die to Him each day

Should I affirm to love another?  
My sacrifice, my work, my pride  
That would make His work like nothing  
And in vain He would have died

But break my heart to think You nothing  
Let me die to think it so  
You, Lord Jesus, My Redeemer  
Great Rescuer of my soul

All my faith and my religion  
Life, family, home, my work, my plans  
I pledge it now into your using  
Take it all into Your hands

None to add or to take from it  
Your work is all that I can claim  
All my idols let now be broken  
Burnt to ash in Your pure Flame

Let all me confess a liar  
Father's truth stands all in Him  
Jesus Christ, our great Salvation  
All His grace for all our sin

Christ in us our hope of glory  
Christ in us our all in all  
Precious Stone that was rejected  
Upon this Rock we all must fall

Complete us now into Your body  
Christ on earth with arms of flesh  
Live and love and serve Lord from us  
Until we live with You in death
