

So Long Self by Mercy Me –From the Album – *Coming Up To Breathe*

Well if I come across a little bit distant  
It's just because I am  
Things just seem to feel a little bit different  
You understand  
Believe it or not but life is not apparently  
About me anyways  
But I have met the One who really is worthy  
So let me say

So long, self  
Well, it's been fun, but I have found somebody else  
So long, self  
There's just no room for two  
So you are gonna have to move  
So long, self  
Don't take this wrong but you are wrong for me, farewell  
Oh well, goodbye, don't cry  
So long, self

Stop right there because I know what you're thinking  
But no we can't be friends  
And even though I know your heart is breaking  
This has to end  
And come to think of it the blame for all of this  
Simply falls on me  
For wanting something more in life than all of this  
Can't you see

Don't feel so bad (don't feel so bad)  
There'll be better days (there'll be better days)  
Don't go away mad (but by all means)  
Just go away, go away
